Athletic Scholarship Corporation is awarded non-profit seal.

October 25th, 2006 (Search By Headlines) Las Vegas, NV

Athletic Scholarship Corporation announced that the restructure from a Domestic For Profit Corporation to a Non-Profit was approved by the Nevada Secretary Of State last month.

Over 80% of www.athleticscholarshipcorp.com student-athlete base is from inner city schools. "We felt that we needed to be able to raise capital to be able to offer our service to everyone in the country, regardless of the ability to pay", AJ Hodel stated.

ASC is currently moving quickly to contract a grant writer to raise the money needed to cover rising costs.

Athletic Scholarship Corporation offers sports marketing services for high school athletes nationwide. The ASC system currently has over 22,000 college coaches and recruiters registered in the system to view student-athlete profiles and streaming video.
